# Beagle Scout Field Notes

I look like a fox but live up in trees at **Pavilion Capital Giant Panda Forest**. Eating bamboo and climbing with ease. Who am I?

In the **Amazon Flooded Forest**, I swim with a shocking might. I can send out jolts that give you a fright! Who am I?

I'm the largest rodent you'll ever meet at **Once Upon a River or Amazon River Quest**. I love swimming and grazing on things that are sweet. Who am I?

In the **Mekong River**, I'm one of the biggest fish you'll find inside. With no teeth and whiskers so long, who am I, so massive and strong?

## BONUS QUESTION

How many Woodstock and his bird friends can you spot around Mekong River?
