

Explorer's Must-do Checklist

Be amazed by the world's largest freshwater aquarium

Enjoy the serenity of the Amazon Flooded forest and chill out at the manatee viewing gallery.

Say hi to our cheeky monkeys at the Squirrel Monkey Forest

Drop by this exhibit to come up close with our free-ranging monkeys and adorable agoutis.

Meet the most loveable rodent - our capybaras

Watch the world's largest rodent and other animal stars in action, at the Once Upon A River animal presentation.

Hop on board our Amazon River Quest boat ride

You'll get a chance to spot animals like our jaguar, scarlet Ibis, capybara and many others as they lurk near the boat route. Get ready for some splashes as well!

Play spot the difference with our giant panda couple

Enjoy unobstructed views of the stars of the River Wonders - Kai Kai and Jia Jia. Here's a hint: look at their noses.

Rest in the tranquility of nature on the viewing deck

Come during the early evening to catch an Insta-worthy moment on the bridge with the beautiful backdrop of the sunset.
