

A Day at River Wonders

This social script prepares you for your visit
to River Wonders.

When I arrive, I will see the entrance to River Wonders.

I need to show the staff my e-ticket before entering River Wonders.

**The staff wear uniforms and have a name-tag on their uniforms.
I can ask them for help if I get lost.**

**There are keepers at River Wonders.
They wear green shirts too.**

**There are also divers at River Wonders.
They have special equipment.
They swim in the tanks.**

I will see many people if it is a busy day.

**River Wonders might be busy and noisy
but there are quiet places to go to.**

**There are dark areas in River Wonders.
I will walk slowly.**

I can speak with my soft voice and use my walking feet.

I will see many animals at River Wonders.

Animals in front of me.

Animals above me.

**Sometimes, the animals are not there
for me to see.**

**I know I am safe because the animals
are behind a glass.**

I can touch the glass with my gentle hands.

Some animals in River Wonders are free-ranging. I can observe them from a safe distance.

I can press buttons that make animal sounds.

**There is a presentation at River Wonders.
Presenters use a microphone and
it may be loud.**

**When it is time to go home, I will go to the exit.
Bye-bye, River Wonders!**
