

Communication Boards

Created in collaboration with

How might I use this resource?

This communication board is designed to help people with communication difficulties.

You may print it out and use it as a communication support or use it in addition to a personal Augmentative and Alternative Communication (AAC) system. You can also use the communication board as a guide for the types of words to add to a personal AAC device before your visit.

Created in collaboration with

Picture Communication Symbols (PCS) With 10 fringe words

Make Your Communication Board

1. Print pages **4 to 5**.
2. Cut page **5** to size.
3. Staple on the right side of pages.
4. Round the paper edges for safety.
5. Try out the Communication Board!
