Animal Highlights:

Papuan
Hornbill

Southern
Cassowary

American
Flamingo

Scarlet
Macaw

Gentoo
Penguin

Bird Paradise

Planning Meaningful and Seamless Learning Journeys

Features and Tips

- Penguin Cove is home to 4 penguin species. It is among the world's largest cold, saltwater habitats for penguins.
- 8 immersive walk-through aviaries designed to replicate distinct habitats from around the world.
- Winged Sanctuary – home to many endangered birds. Great for learning about bird conservation.
- Explore the air-conditioned discovery Hubs in between the aviaries. Great for thematic learning (e.g. feathers, eggs, nests, etc).
- Allocate ample time for walking and prepare for different weather conditions.
- Shuttle service is available between Entrance Plaza and Central Plaza, where the Sky Amphitheatre and Egg Splash water play area are located.

Suggested rest spots

- Air-conditioned discovery Hubs
- Outside Learning Centre
- Penguin Cove

Rainforest Wild ASIA

Asia's first wildlife adventure park offers great opportunities to explore a forest environment safely. Mimicking an adventure in the wild, it requires keen sight and hearing to enjoy chance encounters with wildlife.

Suggested themes to explore:

Rainforest habitats Adventure
Movement Outdoor trekking

Cave Racer

François'
Langur

Malayan Tiger

Malayan
Tapir

Sun Bear

Rainforest Wild ASIA

Planning Meaningful and Seamless Learning Journeys

Features and Tips

- Choose your wild adventure, from the least challenging Elevated Walkway to any of the 7 Forest Treks with varying difficulty levels and distances. Refer [here](#) to decide on the options.
- Allocate ample time for the exploration.
- Plan for different weather conditions.
- Wear appropriate footwear, stay hydrated and ensure protection against the sun.
- Adopting the practice of most national parks, Rainforest Wild ASIA has limited bins. Do bring along a small bag for trash and dispose of it in the bins outside the park.

Suggested rest spots

- Outside Ranger Café
- Sheltered resting spots on elevated walkway

Macaque Advisory

Our parks are also home to many native animals, including wild macaques. These monkeys are habituated to human presence. To ensure a safe and respectful experience with macaques, we strongly encourage you to brief students before the visit on macaque etiquette and watch the video.

Watch this video for macaque etiquette tips.

Do not feed the macaques

Keep food and plastic bags out of the sight of macaques

Observe macaques from at least 3 metres away

Do not touch or approach the macaques

Do not make eye contact or mimic their expressions
