Sustainability

Mandai Wildlife Reserve is certified as a sustainable tourist destination under the Global Sustainable Tourism Certificate (GSTC) destination criteria. This recognition underscores our commitment to sustainability and responsible tourism.

Embracing sustainable best practices to reduce our impact on the environment and work towards a carbon neutral Mandai through:

Responsible Procurement

Use of 100% sustainable-certified seafood and palm cooking oil.

Introduction of Plant-based Menu

Our F&B and event menus maintain a minimum of 20% plant-based and vegetarian-friendly meals.
