

## Gentlemen @ Penguin Coast

Penguins are well-loved by everyone. Sadly, they are facing threats such as over-fishing, global warming and destruction of habitat and nesting sites. We can help the penguins by not littering so that their watery home is kept clean.

Read the signages at the Outdoor Penguin Coast and answer the following questions:

1. The penguin species found at the Outdoor Penguin Coast is endangered. Name this species.

---

2. What kind of fish do they eat?

---

3. At Jurong Bird Park, supplements are given to the penguins for a well-balanced diet. What is the name of the supplement given to them?

---

---

4. Penguins are often referred to as 'the little man in a tuxedo'! What is the purpose of their coloration?

---

---
